Culminating Self-Assessment / Reflection

Teacher's Name: _____ Date: _____

School: _____ Supervising Administrator: _____

Take some time to reflect upon the three years of professional growth that have led to the attainment of your Professional Development Plan goals. Submit a written reflection that assesses the level of achievement of your goals and how attainment of these goals has impacted teaching and learning. Please write this self-reflection to include information on what you did, what learning you acquired, and the impact on student performance.
