

SCHOOL BOARD CONFERENCES, CONVENTIONS, AND WORKSHOPS

In keeping with its stated position on the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate school board conferences, workshops, and conventions. However, in order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

1. A calendar of school board conferences, conventions, and workshops shall be maintained by the Board recording secretary. The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the school district.
2. When a conference, convention, or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations, and materials acquired at the meeting.
