### SUPERINTENDENT

Lori Lane

December 13, 2022

Dear Parents/Caregivers,

### Director Of School District Operations

Dana Hilliard

As many students and parents have experienced first-hand in the last few weeks, our schools are starting to see higher numbers of students who have contracted a variety of illnesses - colds, the flu, RSV, and COVID continue to impact our schools. **If your child is experiencing symptoms such as a fever of over 100 degrees along with a cough and/or sore throat, please keep your child home.** This will help limit the spread of these illnesses to others.

### BUSINESS ADMINISTRATOR

Katie Krauss

Because the symptoms for these illnesses are very similar, parents and caregivers are encouraged to contact your school nurse during the school day or your health care provider at any time to answer any questions you might have.

**Safer at School Screening (SASS) Testing Program.** Great news! State funding for the weekly SASS testing program has been extended through the rest of the 22-23 school year. Attached is the parent consent form if you are interested in having your child participate. SASS testing is done in each of our schools on Wednesdays.

### STUDENT SERVICES DIRECTOR

[SASS Parent Consent Form](#)

Nancy Jo Michaud

Take care,

Lori Lane

Superintendent of Schools

### FEDERAL GRANTS MANAGER

Robert Godbout

**EXPECT EXCELLENCE**

*Equal Opportunity Employer • Equal Education Opportunities*
